Golden Wedding

On Saturday evening, Sept. 11th, Mr. and Mrs. Henry A. Bickford were given a surprise party by their daughter and her husband, Mr. and Mrs. Will Rice, in honor of their golden wedding anniversary.

The affair came as a complete surprise to Mr. and Mrs. Bickford. Mrs. Rice sent word to them to come to her house on Main street as there was someone there to see them. Upon their arrival they found a company of eighteen gathered there to offer congratulations and best wishes. The party then adjourned to dining room where a fine supper was served. The dining room was tastefully decorated in appropriate colors, yellow and white, golden glow and white dahlias predominating. Mrs. Bickford was presented with a large bridal bouquet of white and tied with yellow and white ribbons. There were also several other beautiful bouquets presented to Mr. and Mrs. Bickford. The party was also filled with flowers of every hue. After supper nearly all attended the rally at the Opera house, and on their return refreshments were served. During the evening several friends called to offer congratulations, including members from Harry Rust Post and Corps. Mr. and Mrs. Bickford were the recipients of several gifts including gold, linen and flowers.

Mr. Bickford was born in Parsonfield, May 8, 1847, the son of George W. and Mary B. Stuart Bickford, one of the old-time families of that town. He remained with his parents attending school and assisting on the farm until he was 16 years of age. When the Civil war broke out he enlisted as a recruit in the 17th Maine Infantry, and was assigned to the 29th regiment, Company I, and was then transferred to Company B, where he served three years. He was severely wounded in the battle of Winchester in '64, and still carries the bullet in his limb. He was promoted to Corporal and later to Sergeant, and received his discharge July 3, 1866. He then served in the baggage train that was used in dressing his wound, and also a needle book that he carried with him during the service. He was one of four brothers to enlist and it is a remarkable coincidence that all are living at the present time. After the war Mr. Bickford with a brother went to Prairie Creek, Ill., and carried on a large farm for three years when he returned east and on Sept. 7, 1870, was united in marriage with Josephine Allen, daughter of George F. Allen and Lucy F. Stuart Allen, her father a native of East Stoneham, and her mother of Freedom, N. H.

Mr. Bickford was born at East Stoneham, Dec. 19, 1852. Four children were born to them, two of whom are living: Curtis Bickford, seven years ago, and Mrs. Lilla Rice of Norway. The first year of their married life was spent at Parsonfield, and since that time they have resided at East Stoneham, coming to Norway three years ago. Both Mr. and Mrs. Bickford are members of the Congregational church at East Stoneham. Seven years ago the four brothers met at Old Orchard, the first time they had all been together for fifty years, and this summer three of them attended the reunion of the 1st, 10th, and 29th regiments. The three brothers are Warren of Washington, D. C., George of Kansas City, Mo., and Merrill of Malden, Mass., who makes his home at the Naval cadet's home at Tugus the greater part of the time. The family is remarkable in its longevity there being seven brothers and two sisters, all comparatively smart and active considering their ages. The Relief Corps at Millinocket is named for Mr. Bickford. The guests included Mr. and Mrs. Curtis Bickford of East Stoneham, Mr. and Mrs. Fred Bartlett and Fred, Jr., of Andover, Mrs. Charlotte Butters and Mrs. Lewis Pling of Millinocket, Mrs. L. W. Ramsell and Adelaide Ramsell of Bethel, Mabel Rowell of Framingham, Mass., Mr. and Mrs. Leslie McAllister, Mr. and Mrs. Frank McAllister Mr. and Mrs. G. Fred Stone, Philip Stone, little Margaret Morrill, Mrs. Elizabeth Manning, Mrs. Font Brown, Helen, Edith, and Della Holt, Mr. and Mrs. A. S. Cony, and son and daughter, Wilfred, Jr., and Elizabeth, Mildred Ray, Leroy Spiller, Paul Boynton, Winslow S. Cordwell, David Jordan and Edward Kneeland, all of Norway.

A special meeting of the Browning reading club will be held Friday evening at the home of Elsie Swan.

Mr. and Mrs. George A. Wilkins of South Berwick are spending a few days with her sister, Anna M. Stone, and her brother, James A. Stone.

The Athletic Association at the high school will meet Friday evening to elect officers and plan for the winter sports. Probably the first ball game will be played but the ball promises to draw a strong position. Good material is on hand for the sub-master, Earl Boyd, who is also athletic director, to work on.

Matt McLucas, assistant treasurer of the Boulevard Trust Co. of Brookline, Mass., is visiting his mother, Mrs. Elizabeth McLucas and sisters. His vacation will be short owing to the press of business. Mr. McLucas resided here about twenty years ago and was foreman of the ironing room at the B. F. Spinnery & Co. He was employed at Rumford before accepting his present position.

Ladies of the Congregational church will serve dimmers at the regular price at the fair grounds during Cattle Show. John Cole of Roxbury, Mass., is in town. He was one of the first motor men for Norway-Paris Street Ry. Co., and has handled the front end of trolleys in Boston district since 1899, winning four stripes.

Lloyd Fletcher and Roland McCormack, who have had employment at Somersworth, N. H., during the summer, are home.

Mr. and Mrs. W. Sherman Rowe of Pownall have been the guests of Thomas Thibodeau and Orrington Cummings. Thaddeus Cross has been keeping open house at the Dennis Pike house.

Agency office during the few days of the election.

Publicity manager of the Norway-Paris street car line has had Thad. handle the business and play checkers with friends.

Dorris Foster is spending two weeks with her aunt at Windham before returning to Brockton, Mass., to continue her studies at the business college.

Miss Jennie L. Barrows

Jennie L. Barrows passed away, Sunday, Sept. 12, at 4 a. m., at the home of Mrs. Simon Richardson, where she had been laid for the past few months.

Death was due to cancer. Miss Barrows was born in Norway, June 8, 1858, the daughter of Grover and Benjamin and Dorcas Chamberlain Barrows, and she has always resided in Norway, remaining at home as long as her parents lived. Mr. Barrows died during the winter of 1893 and after the death of her mother, 12 years ago, she went to live with her sister, Mrs. Frances Partridge at Norway Lake where she remained about nine years, on her death she returned to the village and lived two years with her niece, Mrs. Maud Murch going to Mrs. Richardson's last May. Miss Barrows was a former member of Harry Rust W. R. C. and was an attendant at the Congregational church. She was the last of a family of three daughters, and is survived by several nephews and nieces.

The funeral was held at Spiller's undertaking rooms, Tuesday afternoon, attended by Rev. M. O. Baltzer. The bearers were, E. C. Murch, V. L. Partridge, D. B. Partridge, and E. C. Libby. Burial was at Pine Grove cemetery.

Lelia Watson has finished work at E. B. Jackson's and is to keep house for George W. Holmes and daughters, Helen and Mildred. Mildred is to work at the E. N. Sweet Shoe Store until January when she will go to the Eye and Ear Infirmary in Portland to train for a nurse. Samuel Record and son Loren have moved to the house on Fern street.

The Maine Public Health Association is issuing a monthly paper called the "M. P. H. A. News." As the name indicates it deals with the public health and is issued from Augusta. The first copy reached our office this week and it is No. 1, and Vol. 1 and contains 8 pages.

The Norway hall team composed of high school freshmen and others were defeated at South Paris, Saturday afternoon, by the Paris Tigers. The score was 6 to 5 with Norway four runs in the lead until the seventh and eighth innings when the Tigers leaped from the jungle. They tied the score but Norway gained another in the ninth. Two Tigers carried on the game and won the game. Next Saturday they clash again at County fair grounds.

Mrs. Clara Hayden, aged 91 years, and Mrs. Helen Cherry, 79 years were the first women to vote in Norway. Mrs. Hayden is the oldest native born resident and has lived the greater part of her life here. Mrs. Cherry is also a native born and resided in the town many years. Another active lady, 93 years of age, Mrs. Hannah Billings the oldest woman in town, coming from Oxford thirty-five years ago, cast her vote in the afternoon.

Stephen B. Cummings, jr., brought home from Bemis several good sized trout which he landed while on a recent vacation trip. The largest fish weighed about two pounds and catch attracted considerable attention.

One of the many amusing incidents at the polls Monday was that of a woman who destroyed her ballot because it belonged to the other party and was not to be caught in a trap. The lady read one side only, and that represented in bold type the party with principles contrary to her convictions. Officials straightened out the matter to the satisfaction of the voter.

A. D. Kilgore, the Norway Lake blacksmith, complains that auto drivers are not careful in going around his building and he recently came near being knocked down. He gave the name of the reckless driver in his doorway, which he withheld, but if it occurs again, the auto driver will be asked to revoke his license.

Mr. and Mrs. Frank Cox visited Mrs. Cox's sister, Mrs. John F. Horne, in Portland last week and attended the 32nd Maine Regiment reunion that met at Bosworth Post in Portland. Mr. Cox was a member of that regiment.

The cattle show has been held the middle week of September for so many years that several people have come to town this week expecting to attend the show. Among them is John Cole of Roxbury, Mass., W. G. Ayers of Newburyport, Mass. The latter worked here ten years ago and took great interest in politics and won the title of political boss, ward leader and mayor. He is now in the grocery business with his son and is making a success of it. He speaks of seeing W. H. Knowland often.

The merry-go-round and ferris wheel have arrived at the fair grounds and are being set up. Fellows shows have their sleeping quarters under canvas at the usual place. "Pop" Foster has arranged everything needed for lunches and refreshments. He has the same location as in the past twenty years.

Mr. and Mrs. Irving Thibodeau of Medford, Mass., and May Thibodeau of Boston are the guests of their father, Tom Thibodeau, and sister, Tessa.

The Norway A. A. defeated Kezar Falls 1-0 at that place Saturday afternoon. This was a return game for the one played at Norway Lake where in June, Carroll, Jollerson Shoe Co. will go light until the county fair is over. Many of the departments close the last of the week and resume operations as usual in about ten days. Both factories expect to shut down Thursday afternoon for state fair and the West Paris-Sanford fair game.

Ed. Packard and Frank Jewell have made considerable repairs under the Universalist Church. The new floor is nearly completed and sills have been placed under the church on four sides. Portions of the walls were raised and straightened and the structure had settled in places.

"Shorty" Faneuf and Fred Barnes are visiting this week after following a circuit of fairs including Bridgton, Canton and others. They will set up to serve lunches at the County fair next week.

W. Murray Russell, who has had charge of the farm at the Advent school at Auburn during the summer, has returned home.

Universalist Church Notes

A meeting was held at the home of Della Noyes, Tuesday afternoon, to appoint committees and make other arrangements for serving lunches in exhibition hall during the fair.

Tuesday evening the officers and teachers of the Sunday school met at the home of Glegg McIntire. Plans were made for observing rally day, which has been postponed to Oct. 3 on account of repairs being made on the church building.

Methodist Church Notes

Rev. D. B. Holt, D. D., district superintendent, will be present to take charge of the morning service next Sunday. An old fashioned love feast will be held before the service.

The Sunday school will be held at the close of the morning

How Bad Backs Have Been Made Strong
—Kidney Pills Corrected.

All over Norway you hear it. Doan's
Kidney Pills are keeping up the good
work. Norway people are telling about
it—telling of bad backs made sound
again. You can believe the testimony
of your own townspeople. They tell it
for the benefit of you who are suffering.
If your back aches, if you feel lame, sore
and miserable, if the kidneys act too fre-
quently, or passages are painful, scanty
and off color, use Doan's Kidney Pills,
the remedy that has helped so many of
your friends and neighbors. Follow this
Norway citizen's advice and give Doan's
a chance to do the same for you.

E. C. Libby, Sanborn St., says: "I
had backache a great deal and it annoyed
me to do anything. My head ached fre-
quently, too. I also noticed little specks
before my eyes and my sight blurred. I
used various medicines, but it was left
for Doan's Kidney Pills to give me last-
ing results. Since using them, I have had
no return of the complaint and I have
great confidence in Doan's."

Price 60c at all dealers. Don't simply
ask for a kidney remedy—get Doan's
Kidney Pills—the same that Mr. Libby
had. Foster-Milburn Co., Mfrs., Buffalo,

The above sum will be paid to any person who can prove there are no Maine Gems. I would be perfectly safe in making it a million dollars reward, did I possess that amount of money.

SICK WOMEN HEAR ME

You Can Be Free from Pain as I Am, if You Do as I Did.

Harrington, Me.—"I suffered with backache, pains through my hips and such a bearing down feeling that I could not stand on my feet. I also had other distressing symptoms. At times I had to give up work. I tried a number of remedies but Lydia E. Pinkham's Vegetable Compound did me more good than anything else. I am regular, do not suffer the pains I used to, keep house and do all the work. I recommend your medicine to all who suffer as I did and you may use my letter as you like."—Mrs. MINNIE MITCHELL, Harrington, Me.

There are many women who suffer as Mrs. Mitchell did and who are being benefited by this great medicine every day. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.
Lydia E. Pinkham's Vegetable Compound contains no narcotics or harmful drugs. It is made from extracts of roots and herbs and is a safe medium for women. If you need special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

HARRISON

Odd Fellows' Field Day

One of the most enjoyable events of the season was the Field day of the I. O. O. F. and the Rebekahs of Bridgton and Harrison held at Sebago, Thursday. About 250 went on the boat, Bay of Naples accompanied by the Bridgton band which played on the trips down the lake and home and also at the grove. Several parties went by automobile. Baskets of refreshments were carried and coffee was served by the lodge. In the afternoon a relay race was won by Hartley Pitts of Harrison, a handsome scarf pin being the prize. The ball game took most of the remaining time, Bridgton vs. Harrison, and was won by Harrison. This prize was a base ball bat handsomely engraved with Rebekah colors. Dancing was enjoyed in the pavilion during the afternoon. The weather was perfect and every one enjoyed a perfect day, reaching home about eight in the evening.

Hazel Burnham, Mrs. Harriet Burnham and daughter, Bertie, spent several days the past week at Lockes' Mills.

Among those who were in Portland, Saturday evening to hear Hon. Wm. McAdoo and Mrs. Antoinette Funk at City hall were Joseph Pitts and daughter Dorothy, Mr. and Mrs. Ralph Burnham, Mr. and Mrs. M. H. Pitts, Mr. and Mrs. Samuel L. Pitts, Mrs. Arthur P. Stanley and Mrs. Ernest Ward.

Oxford County Fair next week, Sept. 21, 22, 23. See ad.

KEZAR FALLS

Mrs. Angie Stanley, ninety-two years of age, was the first woman to register in the town house on Porter side of the river. On the Parsonsfield side, the village being in two towns and two counties, has necessitated the voters taking a journey over a rough and hilly road, nine miles away, to the town house in Middle Road, a hardship which can be eliminated for many by providing more polling places in country towns. Monday, the 13th day of September, was quite a gala day despite the weather, and the new order of things was as though it had always been.

Narrow Escape

Ransom Sawyer, the line man of the Cornish and Kezar Falls Light and Power Co., met with a bad accident the first of the week, by falling to the ground strapped to an electric light pole on which he was at work removing wires. The doctor reports that he will be all well again, but it was a narrow escape from serious injury or death.

The schools are all in session again. Mr. Bryant of Portland is principal of the Porter High School, and Lillian Pike of Cornish, assistant. Mrs. Bertha Doe is teacher of the Grammar School and Miss Jewell of the Primary, on the Parsonsfield side Ruth Leavitt has charge of the Milliken School and Louise Chase, teaches the primary department.

Agnes Sawyer is teaching in Conway. She and her mother have moved to Conway, greatly to the regret of many friends here.

FRYBURG CENTER AND MENOTOMY

Mr. and Mrs. Wilfred Springer and two children from Portland have come to visit at Dexter Wiley's and will remain until after Fryburg Fair.

Ernest Rines has gone to Freeport to stop with his mother and attend school. Mr. and Mrs. J. W. Goldthwaite have entertained the following visitors recently: Mrs. C. P. Goldthwaite and Mrs. James Goldthwaite from Peabody, Mass., also Mr. and Mrs. Peter Sim from the same place, and Ida Fessenden from Brownfield. The party went to Lovell to stop with Mr. and Mrs. Elwin Wentworth for a few days.

Harold Perkins from Jackson and Mr. and Mrs. Clarence Walker and child from Brownfield were recent guests at P. C. Dennett's.

Mr. and Mrs. C. E. Baker called on Mrs. Frank Knox, Sunday.

Earl Osgood has gone to Orono to attend the Maine University.

Mrs. Eliza Stocker has been visiting at Fred Kenerson's for a week. She returned to Cliftondale, Mass., Monday accompanied by her son, Milton, who has been spending his vacation at Mr. Kenerson's.

Mr. and Mrs. F. G. Goldthwaite entertained on Thursday the Goldthwaite party from Peabody, Mass.

SOUTH RUMFORD

Alma Hubbard has gone to Plymouth, Mass., where she has a position teaching. Blanche Wyman returned to her school at Thornton Academy in Saco, Sunday.

Albert Silver visited his mother, Mrs. Wallace Clark, in Bethel, over the week end.

Mr. and Mrs. Hugh Pleck are on an auto trip in Aroostook County.

Mrs. Emma Flanders and daughter, Mrs. Frederick Wirt and her two daughters have returned to their home in Brookline, Mass., after spending the summer with Mrs. Flanders' brother, Edwin Abbott, at East Rumford.

Julian Delano had a narrow escape last Saturday night about eleven o'clock when the big ice truck which he was running tipped over near Arthur Putnam's. For-

Baseball Soliloquy

Great was the disappointment that Norway A. A. failed to come across at the baseball tournament Labor day forenoon after playing conscientiously against fast outfits and handing out clean cut work, the fans are at a loss to account for numerous erratic contrivances pulled off at the wrong moment. It was not a "blow up" but appears like a case where individual carelessness or discontent can counteract the good work of the majority, honestly endeavoring to give their best to the game.

No criticism directed to the managers of the association has been heard. We have been given this summer the best baseball seen in Norway in years. The best combinations in Maine have shown us their goods, and Norway has stood favorably against them. We have met all financial obligations promptly, therefore made a good impression with visiting managers and players.

As a bunch of good sports we should compliment the board of directors, P. H. Nevers, Malcolm A. Bancroft and Stephen O. Jellerson for putting across high class amusement against big odds. Internal and external troubles have kept them on pins while we as fans have either knocked or boosted according to our temperament, or as the team has been "commercialized" for side line speculation.

That several players fell below their mark Labor day was a sad sight. We were trimmed partly because we underestimated the strength of our Woodstock friends and stumbled over a "sure thing." Our strength not entirely free from camouflage was easily penetrated scouts watching our games the last few weeks. Bates, West Paris, Oxford and others had us charted long ago. That is good strategy. If they have been able to pass the tape over us while we dozed we must pass out the "hand shake" if our sporting instinct is keen.

We have nothing to regret, our record is good. Since the team reorganized after Memorial day, we have lost but six in nineteen games against the strongest clubs in this part of Maine. We are still living, and will go after it again next season while profiting from the experience gained this year.

Mrs. Harry P. Jones went to the St. Barnabas Hospital Friday for medical treatment. She will remain about two weeks.

The ladies of the Universalist church will have a booth during County fair in exhibition hall and serve lunches.

"Every other week" grange dance will be held Friday evening, Sept. 17, in their hall on Whitman street. Good music will be the feature.

Mr. and Mrs. John F. Hall of Saco have been spending a vacation with their parents, Mr. and Mrs. A. F. Hall and with relatives at South Paris.

George Tripp living in a camp just off Marston street, has a potato patch winning a record for abundance of tubers and quality of the goods. George followed the sea many years and is supposed to know very little concerning farming, but his small patch is turning 'em out just the same. Two potatoes of the Hustler variety produced better than half a bushel of spuds.

Fred B. Jackson will continue in the meat and provision business at the same stand. Leroy Titus of South Paris, having been for the stand, but Mr. Jackson after considering other chances has decided to retain the business established some nine years ago.

Fred B. and Fred Kilgore have been attending to the trade at Norway Cash Market during A. B. Cobb's absence on business.

Republican headquarters was a busy place, Monday evening, where a large number gathered to hear the returns. Arrangements had been made to secure quick service and all the latest information was on hand. When the election went beyond the doubtful point an informal dancing party was arranged where everybody could jazz until a late hour. Greenleaf, the caterer, furnished light refreshments. Everything was a success. The women of the party were particularly enthusiastic during the celebration.

A crowd gathered early at the Democratic rooms occupied by the B. G. McIntire Club where the returns were received until a late hour. Although the news was not so encouraging as messages running on the bulletin board "up street," good cheer was in evidence and a pleasant social evening was enjoyed.

Election day on Tuesday was a busy one despite rain and mud. Both parties worked like beavers to get out the elderly people and the indifferent. Many automobiles traveled through mud and over hard roads into remote districts to bring voters to the Opera House. The women made a splendid showing. From the 769 registered, 587 voted. Seven hundred and forty-nine men deposited their ballots. The clerks during election day proved themselves to be efficient. Victor L. Partridge, Joseph J. Chapman, Simon Harriman, and Giles P. Frost. Everything was orderly about the voting place and the bugbear of degradation was not in evidence at Norway.

Charles A. Frost has completed his work in the Merchant block for the present after making extensive alterations and improvements on the second floor where Mr. and Mrs. Z. L. Merchant have been put up and more will be in place later.

The Ramblers were entertained Thursday evening at the home of Mr. and Mrs. Elmer D. Morrill at Milletville. An excellent supper of corn, boiled instead of roasted, sandwiches in variety, hot coffee, pickles and olives and ice cream and fancy cake were served. A pleasant social evening was enjoyed. Those present were Mr. and Mrs. Elmer Morrill, P. P. Stone, Mr. and Mrs. Evander Whitman, Mildred J. Holmes, Mr. and Mrs. G. Ralph Harriman, Ralph Osgood and Mr. and Mrs. Oliver J. Foss. G. R. Harriman and John P. Jenkins carried the party to their homes.

At the Universalist Church, Sunday afternoon, delegates were appointed to attend the State convention at Belfast, Sept. 20-22, who included Mrs. Edward E. Witt, Mrs. Izah T. Sanborn, Glen McIntire and Maford Mann. The pastor, Rev. Chester G. Miller, preached from Luke 22:27. Mrs. Addie Stewart, Victor L. Partridge, Joseph J. Chapman, Simon Harriman, and Giles P. Frost. During the service Walter Mann Kneeland was christened, the son of Ralph and Jennie Mann Kneeland.

Impersonating a singing orchestra, nine players will hold dances in Norway Opera House during County fair dates, on Tuesday, Wednesday and Thursday evenings of next week. They attracted crowds last year, and the well known musical team will duplicate their success on this occasion.

HAS TAKEN NEW LEASE ON LIFE

This Is the Way Davis H. Cain Says He Feels Since Tanlac Built Him Up

"It is remarkable what Tanlac has done for me, and I am feeling so fine that I believe I have a new lease on life," was the statement made recently by Davis H. Cain of 520 Congress St., Portland, Me. Mr. Cain is employed as a millman at 34 38 Union St., Portland.

"My health failed two years ago, and ever since then I have been going down hill so fast that I was nearly a wreck," he continued. "I was so nervous I could not hold a hammer in my hand, why I just shook like a leaf. My appetite had about left me and when I did eat a few bites I would blow up with gas and have such awful pains in my stomach I could hardly get up from the table. My sleep was restless and some nights I would wake up as many as a dozen times, and then when morning came I was 'all in' and just had to drag myself off to work. I was so run-down it was all I could do to hold out till night came and many a time my employer just came out and told me to stop work and go home, as I looked as weak as a rag. My knees and joints pained me and were so stiff I could not lift twenty pounds to my waistline."

"I was planning to give up work when a friend came to me and told me about Tanlac, so I took his advice, got me a bottle and commenced to feel better right away. In all I took four bottles of Tanlac and today I am feeling so fine I believe I could get out there in the street and out-run any man in a foot race. My nerves are as steady as a clock and I sleep so sound that the cars passing the house do not wake me up. And eat! Why, I eat three big meals every day and am never bothered one bit with gas or pains in my stomach. The pains and stiffness have left my joints and I feel as strong as two men and can do as big a day's work as any man. I believe Tanlac has added several years to my life and I can't recommend it too highly."

Tanlac is sold in Norway by A. L. Clark Drug Co., in West Paris by S. T. White, and by O. H. Haskell, Sweden, R. F. D. from Harrison.

CANTON FAIR

The 31st annual cattle show of the Androscoggin Valley Agricultural Society held on the Canton grounds, Sept. 6, 7 and 8 drew large crowds. There were many interesting exhibits among which were those of the two granges, Rockemoka and Canton. Rockemoka had silks and quilts of all kinds, beautiful pieces of embroidery, oil paintings, a table devoted entirely to antiques and here was found a quilt made a full century ago; there was also a special table showing rugs of all patterns and many other domestic articles; an exhibit of cheese and other dairy products, everything in canned goods, fruit and vegetables; some fresh tomatoes and potatoes attracted much attention. The flower table was beautifully arranged and held all kinds of the season's flowers.

Canton Grange exhibited a room furnished in olden style, containing among other things a bed not less than 100 years old, the coverlet even older than that; six wheels, spinning wheels, ancient quilts, clothes, one quilt 100 years old, while one of the chairs was 95 years old. A picture from France cross-stitched and very unique, an old time hymn book, pewter pieces and many quaint articles of wearing apparel; they had also a beautiful exhibit of sweet peas, a huge cooking kettle of beaten copper, made by hand, rugs, dress goods, tatting, canned goods, fruit and vegetables were all seen in their exhibit.

The cattle exhibit consisted chiefly of beef cattle and there were many fine looking ones. Among the exhibitors of these were Moses Young, F. D. Davenport, Harry E. Field, Clarence Dyer, F. W. B. Stetson and son, C. E. Hammond, J. E. Bowers, G. H. Virgin, H. D. Locklin, Walter Porter, W. D. Park and F. W. B. Stetson.

The dairy cattle were not numerous this year; some Jerseys shown by A. H. Stevens, Durhams, Edwin Thorne, Guernseys, E. L. Poland; Holsteins, F. L. Walker and one grade Jersey shown by Bert Hall.

One of the greatest attractions on the grounds was the cowboy show given by Dallas Benson and wife, the famous broncho busters of Texas. He is widely known in the southwest as the Lone Star performer and anything that he cannot do with a lariat and a bucking broncho is not worth attempting. Mrs. Benson who was a former teacher in Oxford, Norway and South Paris, is equally skilled in riding and throwing the lasso. Black May of Oregon was also with them as a rider, but the show was not all riding. They did fancy knots, did rope spinning, plain and fancy roping, trick shooting and a variety of other stunts. Benson uses a six shooter and Mrs. Benson a rifle. Balls are made of resin and lamp black and shot into pieces when thrown in the air. The show closed with Benson riding the famous outlaw bucker, called "Hell forartin'." Fifty dollars was offered to any person in the audience who would ride him and another \$50 for any horse, steer or mule that Benson cannot ride. One member of the troupe is Jerry, the French pup that is being trained for a trick dog. There are three horses in the troupe besides the bucker and the money's worth is always given.

There was the usual number of fairs, hot dogs, popcorn, nigger heads, etc.
